FOUND, CONCLUDED AND DETERMINED THAT:⁴

A. This Court has jurisdiction to hear and determine the Motion under 28 U.S.C. §§ 157 and 1334. This is a core proceeding under 28 U.S.C. § 157(b). Venue of these chapter 11 cases and the Motion in this District is proper under 28 U.S.C. §§ 1408 and 1409. The Court may enter this Sale Order, which constitutes a final order, consistent with Article III of the United States Constitution. The statutory predicates for the relief requested in the Motion are Bankruptcy Code sections 105, 363, 364, 365 and 503. Such relief is also warranted pursuant to Bankruptcy Rules 2002, 6004, 6006, 9006, 9007, and 9014 and applicable Bankruptcy Local Rules (as defined in the Motion).

⁴ The findings and conclusions set forth herein constitute this Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

B. On October 24, 2022, this Court entered the Bidding Procedures Order, which, among other things, (i) approved the Bidding Procedures, the Assumption and Assignment Procedures, the Rejection Procedures (as defined in the Motion), and the form and manner of notice thereof, (ii) authorized the Debtors to enter into one or more asset purchase agreements, and (iii) scheduled a hearing on the approval of the sale of the Debtors' assets free and clear of all encumbrances, as well as the assumption and assignment of executory contracts and unexpired leases. The Bidding Procedures Order also established procedures for providing notice of proposed cure amounts and relevant objection deadlines. No appeal, motion to reconsider or similar pleading has been filed with respect to the Bidding Procedures Order. The Bidding Procedures Order has not been vacated, withdrawn, rescinded or amended and remains in full force and effect. The Bidding Procedures were substantively and procedurally fair to all parties and potential purchasers and afforded notice and full, fair and reasonable opportunity for any person to make a higher or otherwise better offer to purchase the Purchased Assets.

C. As demonstrated by the testimony and other evidence proffered or adduced at the Sale Hearing and the representations of counsel made on the record at the Sale Hearing, the Debtors have marketed the Purchased Assets and conducted the sale process in compliance with the Bidding Procedures Order. The Debtors and their professionals have afforded potential purchasers a full and fair opportunity to submit bids to acquire the Purchased Assets. The sale process was non-collusive and executed in good faith as a result of arms' length negotiations. The Purchaser has acted in good faith and in compliance with the terms of the Bidding Procedures.

D. The Debtors did not receive any Qualifying Bids by the Bid Deadline (each as defined in the Bidding Procedures) for the Purchased Assets other than the Asset Purchase Agreement, and therefore, on November 19, 2022, filed and served the (i) Notice of Successful

Bidder for Certain Assets [Docket No. 511] declaring the Purchaser as the Successful Bidder (as defined in the Bidding Procedures) for the Purchased Assets, and (ii) Notice of Selected Target Contracts [Docket No. 510] identifying the Assigned Contracts the Seller proposes to assume and assign to the Purchaser, as assignee, in connection with the Sale Transaction. In accordance with the Bidding Procedures, the Debtors, in consultation with the Consultation Parties (as defined in the Bidding Procedures), determined that the bid submitted by the Purchaser and memorialized in the Asset Purchase Agreement is the highest and best offer for the Purchased Assets, and will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. The Debtors' determination that the Asset Purchase Agreement constitutes the highest and best offer for the Purchased Assets constitutes a valid and sound exercise of the Debtors' business judgment.

E. As evidenced by the affidavits or certificates of service filed by the Debtors with the Court, and based on the representations of counsel at the Sale Hearing, proper, timely, adequate and sufficient notice of, and a reasonable opportunity to object or otherwise be heard with respect to, the (i) Motion, (ii) Sale Hearing, (iii) entry of this Sale Order, (iv) Asset Purchase Agreement, and (v) transactions contemplated under the Asset Purchase Agreement, including the Sale Transaction, the assumption and assignment of the Assigned Contracts and the Cure Costs (as defined below) has been provided to all parties entitled thereto, including, without limitation, all counterparties to the Assigned Contracts. Such notice constitutes good, sufficient, and appropriate notice of, and a reasonable opportunity to object to or be heard regarding, the relief sought in the Motion, and no other or further notice is or shall be required.

F. The Purchased Assets sought to be transferred and/or assigned, as applicable, by the Seller to the Purchaser pursuant to the Asset Purchase Agreement are property

of, and title thereto is vested in, the Seller's estates within the meaning of Bankruptcy Code section 541. The Debtors: (i) have the full power and authority to execute the Asset Purchase Agreement and all documents contemplated thereby, including the Ancillary Documents, and the sale to the Purchaser has been duly and validly authorized by all necessary corporate action; (ii) have the full power and authority necessary to consummate the transactions, including the Sale Transaction, contemplated by the Asset Purchase Agreement; and (iii) have taken all corporate actions necessary to authorize and approve the Asset Purchase Agreement, the Ancillary Agreements, the consummation of the transactions contemplated by the foregoing, including the Sale Transaction, and all other actions required to be performed by the Debtors to consummate the transactions contemplated under the Asset Purchase Agreement and the Ancillary Agreements. No consents or approvals, other than those expressly provided for in the Asset Purchase Agreement, are required to consummate the transactions contemplated by the Asset Purchase Agreement, including the Sale Transaction.

G. The Debtors have demonstrated good, sound and sufficient business purpose and justifications, and it is a reasonable and appropriate exercise of the Debtors' business judgment, for the Court to authorize and approve the (i) Seller's entry into the Asset Purchase Agreement and the Ancillary Agreements, (ii) sale of the Purchased Assets, and the assumption and assignment of the Assigned Contracts, to the Purchaser on the terms and conditions set forth in the Asset Purchase Agreement, and (iii) consummation of the transactions contemplated by the Asset Purchase Agreement and the Ancillary Agreements. All such actions and transactions, including the approval of the Asset Purchase Agreement and the Ancillary Agreements and the transactions and actions contemplated thereunder, the assumption and assignment of the Assigned

Contracts, and the other relief granted herein is in the best interests of the Debtors, their estates, their creditors, and other parties in interest.

H. The Purchaser holds an allowed secured claim, which consists of \$8,969,845 in outstanding principal and accrued and unpaid interest, fees, costs, and expenses as of the Petition Date plus any other amounts and obligations under the Foundry Finance Agreement (the “Secured Obligations”). Pursuant to the Bidding Procedures Order, the Bidding Procedures and applicable law, including Bankruptcy Code section 363(k), and in accordance with the Asset Purchase Agreement, the Purchaser was authorized to credit bid all or a portion of the Secured Obligations. Pursuant to the Asset Purchase Agreement, the Purchaser credit bid the full amount of the Secured Obligations as part of the Purchase Price for the Acquired Assets. The Credit Bid is a valid and proper offer pursuant to Bankruptcy Code section 363(b) and 363(k).

I. The consideration provided by the Purchaser for the Purchased Assets pursuant to the Asset Purchase Agreement (i) is fair and reasonable, (ii) represents the highest and best offer received by the Debtors for the Purchased Assets, (iii) constitutes reasonably equivalent value, fair consideration, and fair value for the Purchased Assets under the Bankruptcy Code, the Uniform Fraudulent Transfer Act, the Uniform Fraudulent Conveyance Act and any other applicable laws, and (iv) may not be avoided under Bankruptcy Code section 363(n) or any other applicable law. No other person or entity (or group of persons or entities) has offered to purchase the Purchased Assets for an amount that would provide greater economic value to the Debtors than the Purchaser. The Debtors’ determination that the Asset Purchase Agreement constitutes the highest and best offer for the Purchased Assets constitutes a valid and sound exercise of the Debtors’ business judgment. The Court’s approval of the Motion, the Sale Transaction, the Asset

Purchase Agreement and the other transactions contemplated thereby is in the best interests of the Debtors, their estates and creditors and all other parties in interest.

J. The releases provided for in this Sale Order are consensual, reasonable in scope, and necessary for the Purchaser to enter into the Asset Purchase Agreement. The Purchaser would not have entered into the Asset Purchase Agreement, and would not consummate the Sale Transaction and the transactions contemplated thereunder, without the releases set forth in this Sale Order. The Motion shall be deemed a motion to approve the good-faith compromise and settlement of all such claims, interests, and controversies pursuant to Bankruptcy Code section 363(b) and Bankruptcy Rule 9019, and the entry of this Sale Order shall constitute the Court's approval of such compromise and settlement under Bankruptcy Code section 363(b) and Bankruptcy Rule 9019, and a finding by the Court that such settlement and compromise is a valid exercise of the Debtors' business judgment, fair, equitable, reasonable, and in the best interests of the Debtors and their estates.

K. The Purchaser would not have entered into the Asset Purchase Agreement, and would not consummate the Sale Transaction and the other transactions contemplated thereunder, if the sale of the Purchased Assets and the assumption and assignment of the Assigned Contracts to the Purchaser were not free and clear of any and all Encumbrances (other than Permitted Encumbrances and Assumed Liabilities) pursuant to Bankruptcy Code section 363(f), or if the Purchaser would, or in the future could, be liable for any of such Encumbrances. Except for the Assumed Liabilities and Permitted Encumbrances, the Purchaser shall not be responsible for any Encumbrances or Liabilities, including, without limitation, in respect of the following: (i) any agreement with any service provider, including any employment agreement, labor agreement or other agreement with any service provider; (ii) any mortgages, deeds of trust and

security interests; (iii) any intercompany loans and receivables between one or more of the Seller Parties and any Debtor or Affiliate of the Debtors; (iv) any “employee benefit plan” (as such term is defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”)), regardless of whether subject to ERISA, including, without limitation, any pension, multiemployer plan (as such term is defined in Section 3(37) or Section 4001(a)(3) of ERISA), health or welfare, compensation or other employee benefit plans, agreements, practices and programs, that any of the Debtors or any of their past or current Affiliates have sponsored, maintained or at any time contributed to or for which any of the Debtors or any of their past or current Affiliates have had any Liability or potential Liability; (v) any other employment, worker’s compensation, occupational disease or unemployment or temporary disability related claim, whether or not now known, suspected or claimed, including, without limitation, claims that might otherwise arise under or pursuant to any federal, state or local statute, rule, regulation or principle of contract law (whether oral or written, express or implied), tort law or common law, including, without limitation, (a) ERISA, (b) the Fair Labor Standards Act, (c) Title VII of the Civil Rights Act of 1964, (d) the Federal Rehabilitation Act of 1973, (e) the National Labor Relations Act, (f) the Age Discrimination in Employment Act of 1967, as amended, (g) the Americans with Disabilities Act of 1990, (h) the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, including, without limitation, the requirements of Part 6 of Subtitle B of Title I of ERISA and Section 4980B of the Code and of any similar state law (collectively, “COBRA”), (i) state or local discrimination laws, (j) state unemployment compensation laws, or (k) any other state or federal benefits or claims relating to any employment with, or providing service to, the Debtors or any of their predecessors; (vi) any liabilities arising under any environmental laws; (vii) any bulk sales or similar law; (viii) any tax statutes or ordinances, including, without limitation, the Internal

Revenue Code of 1986, as amended; and/or (ix) any Excluded Liabilities. There is no better available alternative for the Purchased Assets than the sale to the Purchaser. The Sale Transaction and the other transactions contemplated by the Asset Purchase Agreement are in the best interests of the Debtors, their estates and creditors, and all other parties in interest.

L. The Debtors may sell the Purchased Assets free and clear of all Encumbrances (other than Assumed Liabilities and Permitted Encumbrances) because, with respect to each creditor asserting an Encumbrance, one or more of the standards set forth in Bankruptcy Code section 363(f)(1)-(5) has been satisfied. Those holders of Encumbrances, if any, as well as any other persons or entities, who did not object, failed to timely object, or withdrew their objections, to the sale of the Purchased Assets, the Motion, the Asset Purchase Agreement, any transaction contemplated thereunder, and/or the assumption and assignment of the Assigned Contracts, are deemed to have fully consented to the relief sought in the Motion, the relief granted herein and the transactions contemplated by the Asset Purchase Agreement pursuant to Bankruptcy Code section 363(f)(2). All holders of Encumbrances, if any, who did object fall within one or more of the other subsections of Bankruptcy Code section 363(f). All holders of Encumbrances on Purchased Assets, if any, are adequately protected by such Encumbrances attaching to the net cash proceeds of the sale (after giving effect to any closing costs payable by the Debtors) attributable to the Purchased Assets in which such holder alleges an Encumbrance, in the same order of priority and with the same validity, force and effect that such Encumbrance had prior to the Sale, subject to any claims and defenses the Debtors and their estates may possess with respect thereto.

M. The Purchaser and the other Purchaser Parties shall not, and shall not be considered or deemed to: (i) be the successor of, or successor employer (as described under

COBRA and applicable regulations thereunder) to, any Debtor or any of the Seller Parties or any of their past or current Affiliates including, without limitation, for purposes of COBRA or other federal, state or local labor law, or with respect to any collective bargaining agreements and any Seller Benefit Plan, and shall instead be, and be deemed to be, a new employer with respect to any and all federal or state unemployment laws, including any unemployment compensation or tax laws, or any other similar federal, state or local laws, (ii) have, *de facto*, or otherwise, merged or consolidated with or into any Debtor or any of the Seller Parties, (iii) be a mere continuation or substantial continuation, or holding themselves out to be a mere continuation, of any Debtor, any of the Seller Parties or their respective enterprise(s), (iv) have a common identity of incorporators, directors, or equity holders with any Debtor or any of the Seller Parties, or (v) be liable for any acts or omissions of any Debtor or any of the Seller Parties in the conduct of their respective businesses or operations, or arising under or related to the Purchased Assets except as expressly included in the Assumed Liabilities. Without limiting the generality of the foregoing, the Purchaser and the other Purchaser Parties shall not be liable for any Encumbrance or Liability (other than Assumed Liabilities and Permitted Encumbrances) against any of the Debtors or the other Seller Parties, or any of their respective predecessors, successors, assigns or Affiliates, and the Purchaser and the other Purchaser Parties shall have no successor or vicarious liability of any kind or character whatsoever, whether known or unknown, whether now existing or hereafter arising, whether asserted or unasserted, or whether fixed or contingent, with respect to any of the Debtors' and/or the other Seller Parties' businesses or operations, the Purchased Assets or any Liabilities of any of the Debtors and/or the other Seller Parties. The Purchaser would not have acquired the Purchased Assets but for the foregoing protections, including against potential claims based upon "successor liability" theories.

N. The Asset Purchase Agreement was proposed, negotiated, entered into, and is undertaken, by the Debtors and the Purchaser at arm's-length, without collusion or fraud, and in good faith within the meaning of Bankruptcy Code section 363(m). The Purchaser's bid was subject to a marketing process conducted by the Debtors. All payments to be made by the Purchaser and other agreements or arrangements entered into by the Purchaser in connection with the Sale Transaction have been disclosed.

O. Neither the Purchaser nor any of its parent, subsidiaries, affiliates, members, managers, principals, shareholders, officers, directors, representatives or any of its or their respective successors or assigns is an "insider" of any of the Debtors or any of their Affiliates, as that term is defined by Bankruptcy Code section 101(31), and is not otherwise affiliated with any of the Debtors or any of their Affiliates. The Purchaser has not violated Bankruptcy Code section 363(n) by any action or inaction, and no common identity of directors or controlling stockholders exists between the Purchaser and any of the Debtors or any of their Affiliates. Neither the Debtors, the Purchaser, nor any parent, subsidiary, affiliate, member, manager, principal, shareholder, officer, director or representative of the Purchaser has engaged in any conduct that would cause or permit the Asset Purchase Agreement, the Sale Transaction or any other transaction contemplated thereunder or this Sale Order to be avoided or challenged, or for costs or damages to be imposed, under Bankruptcy Code section 363(n) or under any other law.

P. The Purchaser has proceeded in good-faith and without collusion in all respects in connection with the Sale Transaction and the Asset Purchase Agreement. The negotiation and execution of the Asset Purchase Agreement and the related documents were conducted in good-faith and constitute an arm's-length transaction. The Asset Purchase Agreement, which constitutes reasonably equivalent value and fair consideration for the Purchased

Assets, was not entered into, and the Sale Transaction is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors. Neither the Debtors nor the Purchaser has entered into the Asset Purchase Agreement or is consummating the Sale Transaction with any fraudulent or otherwise improper purpose.

Q. As a result of the foregoing, the Purchaser is a “good-faith purchaser” and entitled to all of the rights, benefits, privileges, and protections provided to a good-faith purchaser under Bankruptcy Code section 363(m), including in the event this Sale Order or any portion thereof is reversed or modified on appeal. The Purchaser has otherwise proceeded in good-faith in all respects in connection with these chapter 11 cases and this proceeding.

R. Entry into the Asset Purchase Agreement and the transactions contemplated thereby, including the Sale Transaction, constitutes a valid and sound exercise of the Debtors' business judgment, and such acts are in the best interests of the Debtors, their estates and creditors, and all parties in interest. The Debtors have articulated good and sufficient business reasons justifying the sale of the Purchased Assets to the Purchaser. Additionally: (i) the Asset Purchase Agreement constitutes the highest and best offer for the Purchased Assets; (ii) the Asset Purchase Agreement and the consummation of the transactions contemplated thereby, including the Sale Transaction, will present the best opportunity to realize the value of the Purchased Assets and avoid further decline and devaluation of the Purchased Assets; (iii) there is risk of deterioration of the value of the Purchased Assets if the Sale Transaction is not consummated promptly; and (iv) the Asset Purchase Agreement and the sale of the Purchased Assets to the Purchaser will provide greater value to the Debtors' estates than would be provided by any other available alternative.

S. Good and sufficient reasons, and sound business purposes, for approval of the Asset Purchase Agreement and the transactions contemplated thereby, including the Sale

Transaction, have been articulated by the Debtors. The Debtors have demonstrated compelling circumstances and a good, sufficient and sound business purpose for the Sale Transaction and the other transactions contemplated by the Asset Purchase Agreement pursuant to Bankruptcy Code section 363(b), in that, among other things, the consummation of the Sale Transaction within the time constraints set forth in the Asset Purchase Agreement is necessary and appropriate to maximize the value of the Debtors' estates. To maximize the value of the Debtors' estates, it is essential that the sale occur within the time constraints set forth in the Asset Purchase Agreement. Time is of the essence in consummating the Sale Transaction.

T. The consummation of the sale and the other transactions contemplated under the Asset Purchase Agreement is legal, valid and properly authorized under all applicable provisions of the Bankruptcy Code, including, without limitation, sections 105(a), 363(b), 363(f), 363(m), 365(b) and 365(f). All of the applicable requirements of such sections have been complied with in respect of the Sale Transaction.

U. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign the Assigned Contracts to the Purchaser in connection with the consummation of the Sale Transaction, and the assumption and assignment of the Assigned Contracts to the Purchaser is in the best interests of the Debtors, their estates and creditors and all parties in interest. The Assigned Contracts being assigned to the Purchaser are an integral part of the Purchased Assets being purchased by the Purchaser, and accordingly, such assumption and assignment of the Assigned Contracts is reasonable and enhances the value of the Debtors' estates.

V. The Assumption and Assignment Procedures (as set forth and defined in the Bidding Procedures Order) are reasonable and provided all parties with appropriate notice and ability to object. Each of the non-Debtor parties to an Assigned Contract has received notice of,

and had a fair and reasonable opportunity to object to, the assumption and assignment of the Assigned Contracts to the Purchaser.

W. The cure amounts, if any, agreed upon by the Purchaser or judicially resolved (the “Cure Costs”) are deemed to be the entire cure obligation due and owing under the Assigned Contracts under Bankruptcy Code section 365(b). To the extent that any non-Debtor counterparty to an Assigned Contract has failed to timely file an objection to the cure amount set forth in the Cure Notice⁵, such cure amount shall be deemed to be the entire cure obligation due and owing under the applicable Assigned Contract. To the extent that any non-Debtor counterparty to an Assigned Contract has timely objected and asserted that a greater amount is owed to it under an Assigned Contract other than the cure amount set forth in the Cure Notice, such an objection is expressly overruled, unless it has been properly preserved by a timely filed objection for future resolution.

X. Each provision of the Assigned Contracts or applicable non-bankruptcy law that purports to prohibit, restrict or condition, or could be construed as prohibiting, restricting or conditioning, assignment of any Assigned Contracts has been satisfied or is otherwise unenforceable under Bankruptcy Code section 365.

Y. Upon the payment of the Cure Cost, if any, to the relevant counterparty to an Assigned Contract, there will be no outstanding default under each such Assigned Contract.

Z. The Purchaser has demonstrated adequate assurance of future performance of all Assigned Contracts within the meaning of Bankruptcy Code section 365.

⁵ “Cure Notice” shall mean the Notice of Filing of Cure Schedule in Connection with Proposed Sale [Docket No. 209], Notice of Filing of Supplemental Cure Schedule in Connection with Proposed Sale [Docket No. 334], Notice of Filing of Amended Cure Schedule in Connection with Proposed Sale [Docket No. 357], Notice of Filing of Second Supplemental Cure Schedule in Connection with Proposed Sale [Docket No. 469], and any other cure notice filed in these chapter 11 cases acceptable to the Purchaser.

AA. Upon the payment of the relevant Cure Costs, if any, and the assignment to the Purchaser, each Assigned Contract shall be deemed valid and binding, in full force and effect, enforceable in accordance with its terms, and is the property of the Debtors' estates pursuant to Bankruptcy Code section 541(a), and all defaults thereunder, if any, shall be deemed cured pursuant to this Sale Order.

BB. An injunction against creditors and third parties pursuing claims against, and liens, interests and encumbrances on, the Purchased Assets is necessary to induce the Purchaser to close the Sale Transaction, and the issuance of such injunctive relief is therefore necessary to avoid irreparable injury to the Debtors' estates and will benefit the Debtors' creditors.

CC. The Sale Transaction does not constitute a *sub rosa* chapter 11 plan. The Sale Transaction neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates a plan of reorganization or liquidation for any of the Debtors.

DD. This Sale Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), the Court expressly finds that there is no just reason for delay in the implementation of this Sale Order and expressly directs entry of judgment as set forth herein.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED THAT:

1. The Motion is GRANTED, and the Sale Transaction and the other transactions contemplated in the Asset Purchase Agreement are approved, as set forth herein.

2. All objections, if any, and any and all joinders thereto, to the relief requested in the Motion and granted in this Sale Order, whether filed or stated on the record before this Court, to the extent not resolved, waived, withdrawn or previously overruled, and all reservations of rights included therein, are hereby overruled and denied on the merits and with prejudice.

3. Notice of the Motion, the Sale Transaction, the Asset Purchase Agreement, all other transactions contemplated thereunder, the Sale hearing, and the entry of this Sale Order was sufficient and appropriate under the circumstances, complied with all applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Bankruptcy Local Rules, and no additional or other notice need be provided.

4. Pursuant to Bankruptcy Code sections 105, 363, 364, 365 and 503, and Bankruptcy Rule 6004, the Sale Transaction, including all of the terms and conditions related thereto as set forth in the Asset Purchase Agreement, is hereby authorized and approved in all respects. The Debtors are authorized and directed to enter into and perform under the Asset Purchase Agreement and the Ancillary Agreements. The Asset Purchase Agreement, together with all annexes, exhibits, and amendments thereto and the Ancillary Agreements, and all actions and transactions contemplated therein, and all of the terms and conditions thereof, are hereby authorized and approved in their entirety. The failure to specifically include, or make a reference to, any particular provision of the Asset Purchase Agreement in this Sale Order shall not diminish or impair the effectiveness of such provision, it being the intent of this Court that the Asset Purchase Agreement, and any related agreements, and any amendments thereto in accordance with the terms thereof, be authorized and approved in their entirety and incorporated by reference as if fully set forth herein.

5. Pursuant to Bankruptcy Code sections 105, 363, 364, 365 and 503, the Debtors are hereby authorized and directed to take any and all actions necessary or appropriate to: (i) consummate the Sale Transaction, the other transactions contemplated by the Asset Purchase Agreement, and the closing of the sale in accordance with the Asset Purchase Agreement and this Sale Order; (ii) assume and assign the Assigned Contracts to the Purchaser in accordance with the

Asset Purchase Agreement; and (iii) perform, consummate, implement and close fully the Asset Purchase Agreement, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the Asset Purchase Agreement and the transactions contemplated thereby. The Debtors and each other party to the Ancillary Agreements are hereby authorized and directed to perform their respective covenants and undertakings as provided in the Asset Purchase Agreement and the Ancillary Agreements prior to and after the Closing Date without further order of the Court. The Purchaser and the Debtors shall have no obligation to close the Sale Transaction except as is contemplated and provided for in the Asset Purchase Agreement.

6. Pursuant to Bankruptcy Code section 365(f), notwithstanding any provision of any Assigned Contract or applicable non-bankruptcy law that prohibits, restricts or conditions the assignment of an Assigned Contract, the Debtors are authorized to assume the Assigned Contracts and to assign the Assigned Contracts to the Purchaser, which assignment shall be in accordance with and on the terms set forth in the Asset Purchase Agreement. There shall be no accelerations, assignment fees, increases or any other fees charged to the Purchaser or the Debtors as a result of the assumption and assignment of the Assigned Contracts.

7. The releases provided in paragraphs 10 and 11 of this Sale Order are hereby authorized and approved in all respects.

8. This paragraph is in addition to, and shall not limit, any other release, covenant not to sue or waiver by the Purchaser Releasing Parties in favor of the Debtor Released Parties.

12. Except as expressly provided in the Asset Purchase Agreement or by this Sale Order, all persons and entities holding Encumbrances of any kind or nature whatsoever against or in the Debtors (or the Debtors' interests in the Purchased Assets), whether known or unknown, legal or equitable, matured or unmatured, contingent or noncontingent, liquidated or unliquidated, asserted or unasserted, whether arising prior to or after the commencement of these chapter 11 cases, whether imposed by agreement, understanding, law, equity or otherwise, arising under or out of, in connection with, or in any way relating to, the Purchased Assets or the sale of the Purchased Assets to the Purchaser, shall be and hereby are forever barred, estopped and permanently enjoined from asserting, prosecuting or otherwise pursuing claims, liens, interests and encumbrances against (x) the Purchaser or its Affiliates, successors, assigns, equity holders, employees or professionals, or (y) the Purchased Assets, or the Debtors' interests in the Purchased

Assets. Following the Closing, no holder of an Encumbrance (other than the Permitted Encumbrances and the Assumed Liabilities) against the Debtors shall interfere with the Purchaser's title to, or use and enjoyment of, the Purchased Assets based on or related to such Encumbrance. All persons are hereby enjoined from taking action that would interfere with or adversely affect the Debtors' ability to transfer the Purchased Assets to the Purchaser in accordance with the Asset Purchase Agreement, the Ancillary Agreements and this Sale Order.

13. Upon assumption of the Assigned Contracts by the Debtors and assignment of same to the Purchaser, the Assigned Contracts shall be deemed valid and binding, in full force and effect in accordance with their terms, subject to the provisions of the Asset Purchase Agreement and this Sale Order. Upon the assignment of an Assigned Contract to the Purchaser in accordance with the terms of the Asset Purchase Agreement, the Purchaser shall succeed to the Debtors' rights and interests in such Assigned Contract from and after the date of such assignment and shall have all rights thereunder.

14. Upon the payment of the Cure Costs (if any) with respect to an Assigned Contract, (i) all defaults (whether monetary or otherwise) under such Assigned Contract through and including the Closing shall be deemed cured and satisfied, (ii) no other amounts will be due and owing by the Debtors, their estates or the Purchaser under such Assigned Contract with respect to any amounts arising or accruing during, or attributable or related to, the period prior to and through and including the Closing, and (iii) all persons and entities shall be forever barred and estopped from asserting any claim related to such Assigned Contract against the Debtors, their estates, the Purchaser, or the property of any of the foregoing that any additional amounts are due or defaults exist under such Assigned Contract that arose or accrued, or relate to or are attributable to the period, prior to and through the Closing.

15. The Asset Purchase Agreement has been entered into by the Purchaser in good faith and the Purchaser is a good faith purchaser within the meaning of Bankruptcy Code section 363(m). The Purchaser is entitled to all of the protections afforded by Bankruptcy Code section 363(m). The transfer of the Purchased Assets to the Purchaser, and the related transactions to be consummated in accordance with the Asset Purchase Agreement, constitute a good-faith transaction entitled to the protections afforded by Bankruptcy Code section 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Sale shall not affect the validity of the sale of the Purchased Assets to the Purchaser (including the assumption and assignment by the Debtors of any of the Assigned Contracts).

16. The Asset Purchase Agreement was negotiated, proposed, and entered into without collusion, in good-faith and at arm's-length. The consideration provided by the Purchaser for the Purchased Assets under the Asset Purchase Agreement, including the portion of the consideration that consists of the Credit Bid, is fair and reasonable, constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and other applicable law, and the Sale Transaction and the other transactions contemplated under the Asset Purchase Agreement may not be avoided, or costs or damages imposed or awarded, under Bankruptcy Code section 363(n), any other provision of the Bankruptcy Code, the Uniform Fraudulent Transfer Act, the Uniform Fraudulent Conveyance Act or any other similar federal or state laws.

17. On the Closing Date, this Sale Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance and transfer of all of the Debtors' rights, title and interest in the Purchased Assets or a bill of sale transferring good and marketable title in such Purchased Assets to the Purchaser on the Closing Date pursuant to the

terms of the Asset Purchase Agreement, free and clear of all Liabilities and Encumbrances (other than Assumed Liabilities and Permitted Encumbrances).

18. Upon the Closing, except as specifically included in Assumed Liabilities, the Purchaser and the other Purchaser Parties shall not and shall not be deemed to: (i) be the successor of, or successor employer to, the Debtors or any of the other Seller Parties, including, without limitation, with respect to any collective bargaining agreements and any Seller Benefit Plans, and shall instead be, and be deemed to be, a new employer with respect to any and all federal or state unemployment laws (including any unemployment compensation or tax laws, and any other similar federal or state laws); (ii) have, *de facto*, or otherwise, merged or consolidated with or into any of the Debtors or any of the other Seller Parties; (iii) be a mere continuation or substantial continuation of any of the Debtors or any of the other Seller Parties or the enterprise(s) of any of the foregoing; or (iv) be liable for any acts or omissions of any of the Debtors or any of the other Seller Parties in the conduct of the businesses or operations of any of the foregoing, or arising under or related to the Purchased Assets. Without limiting the generality of the foregoing, and except as otherwise provided in the Asset Purchase Agreement, the Purchaser shall have no successor or vicarious liability of any kind or character, whether known or unknown as of the Closing Date, now existing or hereafter arising, fixed or contingent, asserted or unasserted, legal or equitable, liquidated or unliquidated, including, without limitation, liabilities on account of warranties, intercompany loans, receivables among the Debtors and their Affiliates, claims arising under the federal Worker Adjustment and Retraining Notification (WARN) Act or any state equivalent thereof, claims of the Securities and Exchange Commission (“SEC”) or any other entity arising from or in connection with any pending SEC investigation of one or more of the Debtors,

with respect to the Debtors' businesses or operations, the Purchased Assets or any Liabilities of any Seller Party arising prior to the Closing Date.

19. This Sale Order, whether or not filed, registered or otherwise recorded (including by entry on this Court's docket): (i) is and shall be effective as a conclusive determination that, other than Permitted Encumbrances and Assumed Liabilities, all Encumbrances of any kind or nature whatsoever existing as to all or a portion of the Purchased Assets have been unconditionally released, discharged and terminated, and that the conveyances described herein have been effected; and (ii) is and shall be binding upon, and authorizes and directs, all entities, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies or units, governmental departments or units, secretaries of state, federal, state and local officials and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to the Purchased Assets, to accept for filing any and all of documents and instruments necessary and appropriate to consummate the transactions contemplated by the Asset Purchase Agreement. Other than Permitted Encumbrances, all recorded Encumbrances against the Purchased Assets shall be deemed stricken.

20. If any person or entity which has filed statements or other documents or agreements evidencing liens on, interests in, encumbrances on, or claims against, the Purchased Assets shall not have delivered to the Debtors before the Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of liens and easements, and any other documents necessary for the purpose of documenting the

release of all claims, liens, interests or encumbrances (other than Permitted Encumbrances) which the person or entity has or may assert with respect to the Purchased Assets, the Debtors are hereby authorized and directed, and the Purchaser is hereby authorized, to execute and file such statements, instruments, releases and other documents on behalf of such person or entity with respect to the Purchased Assets.

21. To the extent applicable, any holder of a claim, lien, interest or encumbrance with respect to a Purchased Asset is adequately protected under Bankruptcy Code section 363(e) by having such claim, lien, interest or encumbrance attach solely to the proceeds of the Sale Transaction.

22. All counterparties to the Assigned Contracts shall cooperate and expeditiously execute and deliver, upon the reasonable requests of the Purchaser, and shall not charge the Debtors or the Purchaser for, any instruments, applications, consents or other documents which may be required or requested by any public or quasi-public authority or other party or entity to effectuate the applicable transfers in connection with the Sale Transaction.

23. All entities that are presently, or on the Closing Date may be, in possession of some or all of the Purchased Assets are hereby directed to surrender possession of the Purchased Assets to the Purchaser on the Closing Date.

24. Each and every federal, state and local governmental agency or department, and any other person or entity, is hereby authorized to accept any and all documents and instruments in connection with or necessary to consummate the Sale Transaction contemplated by the Asset Purchase Agreement.

25. No governmental unit may revoke or suspend any right, license, trademark or other permission relating to the use of the Purchased Assets sold, transferred or conveyed to the

Purchaser on account of the filing or pendency of these chapter 11 cases or the consummation of the Sale Transaction.

26. The Asset Purchase Agreement, the Ancillary Agreements, the Sale Transaction and the other transactions contemplated under the Asset Purchase Agreement shall not be subject to rejection or avoidance.

27. No obligation or liability, contingent or otherwise, for brokerage or finders' fees or agents' commissions or other similar payment is due to any person in connection with the Asset Purchase Agreement, the other transaction documents or the transactions contemplated hereby or thereby for which the Purchaser is or will become liable.

28. No bulk sales law or any similar law of any state or other jurisdiction shall apply in any way to the transactions contemplated by the Asset Purchase Agreement and this Sale Order.

29. The Debtors are authorized to take any and all actions necessary to effectuate the relief granted under this Sale Order.

30. The provisions of this Sale Order and any actions taken pursuant hereto shall survive entry of any order, which may be entered converting these chapter 11 cases to chapter 7 cases, confirming or consummating any plan(s) of reorganization or liquidation of the Debtors, or dismissing any of the Debtors' chapter 11 cases, and the terms and provisions of this Sale Order shall continue in this or any superseding case under the Bankruptcy Code. The obligations of the Debtors under this Sale Order or the Asset Purchase Agreement, as applicable, shall not be discharged by the entry of an order confirming a plan(s) of reorganization or liquidation in any of the Debtors' chapter 11 cases. Any order granting conversion or dismissal of any of the Debtors' chapter 11 cases shall specifically provide that this Sale Order shall survive such conversion or

dismissal, the rights granted to the Purchaser hereunder shall remain effective and, notwithstanding such dismissal, this Sale Order shall remain binding on all parties in interest

31. This Sale Order and the Asset Purchase Agreement shall be binding, in all respects, upon, and shall inure to the benefit of, the Purchaser and all successors and assigns of the Purchaser, the Debtors, their estates, their successors and assigns, all creditors of and holders of equity interests in the Debtors, any holders of liens against or on all or any portion of the Purchased Assets and, as applicable, any trustee, “responsible person”, plan administrator, or other fiduciary that may be appointed in these chapter 11 cases or in any superseding cases under chapter 7 of the Bankruptcy Code. Nothing contained in any chapter 11 plan confirmed in these chapter 11 cases or the confirmation order confirming any plan shall conflict with or derogate from the provisions of the Asset Purchase Agreement or this Sale Order.

32. Sunbelt Solomon Services, LLC (“Solomon”) asserts it has title to the nine (9) transformers with serial numbers YT-22-10994, YT-22-10995, YT-22-10996, YT-22-10997, YT-22-10998, YT-22-10999, YT-22-11000, YT-22-11001 and YT-22-11002 identified in the Asset Purchase Agreement (the “Transformers”), and the Debtors dispute Solomon’s contentions and assert that the Debtors have title to the Transformers and the Transformers are property of the Debtors’ estates (the “Dispute”). Unless otherwise consensually resolved, the Dispute will be submitted to the Court for determination subsequent to the Sale Hearing on a date to be agreed upon among the parties, and the Debtors, Solomon and the Purchaser reserve all of their respective rights, arguments, claims and defenses in regards to the Dispute; provided, however, that notwithstanding Solomon’s contentions, the Dispute and anything else contained herein, the Debtors and Solomon agree that whatever rights the Court determines that Solomon ultimately possesses in the Transformers, if any, immediately prior to the Closing shall be extinguished as to

the Transformers as of the Closing and attach solely and exclusively to the Reserved Transformer Proceeds (as defined below). Notwithstanding anything to the contrary herein, (a) the Transformers shall constitute Purchased Assets, (b) as of the Closing, the Transformers shall be conveyed to, and title to the Transformers shall automatically transfer to and vest in, the Purchaser free and clear of any and all Encumbrances, including any liens, claims, encumbrances, interests and rights of Solomon and/or the Debtors, and (c) as of the Closing, any remedies available to Solomon shall be limited to and attach solely and exclusively to the specified proceeds from the sale of the Transformers (and not, for the avoidance of doubt, to any of the Transformers) in the amount of \$482,550 (the “Reserved Transformer Proceeds”), with the same interest, nature, validity, priority, extent, perfection, force and effect, if any, that existed in favor of Solomon as of the Petition Date.

33. The asserted liens of RK Mission Critical LLC against the “CN2 Containers” listed on Schedule 1.1 of the Asset Purchase Agreement (the “Containers”) shall not attach to the Containers (and such Containers shall constitute Purchased Assets, and shall be transferred to, and title to such Containers shall vest in, the Purchaser as of the Closing, free and clear of any and all Encumbrances), but shall instead attach, following the Closing, solely and exclusively to the proceeds of the sale of such Containers, with the same nature, validity, priority, extent, perfection, force, and effect, if any, that such liens encumbered all or any portion of the Containers immediately prior to the Closing, subject to any claims, defenses, and objections that the Debtors, their estates, or any other party in interest may possess with respect thereto.

34. The Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement and implementation of this Sale

Order and the terms of the Asset Purchase Agreement (including all amendments thereto, any waivers and consents thereunder, and each agreement executed in connection therewith).

35. To the extent this Sale Order is inconsistent with any order or pleading filed in these chapter 11 cases related to the Motion, the terms of this Sale Order shall govern. To the extent there is any inconsistency between the terms of the Asset Purchase Agreement, the Motion, and this Sale Order, the terms of this Sale Order shall govern.

36. The Asset Purchase Agreement and any related agreements, documents or other instruments may be modified, amended or supplemented by the parties thereto in accordance with the terms thereof without further order of the Court.

ASSET PURCHASE AGREEMENT

ASSET PURCHASE AGREEMENT (as amended, supplemented, amended and restated or otherwise modified from time to time, this “Agreement”), dated as of November 19, 2022 (the “Execution Date”), by and between Compute North LLC, Compute North SD, LLC, Compute North Texas LLC, CN Mining LLC, and CN Minden LLC, each a Delaware limited liability company (collectively, the “Seller”) and Foundry Digital LLC, a Delaware limited liability company (the “Purchaser”). Article VIII contains definitions of certain terms used in this Agreement and also provides cross-references to certain terms defined elsewhere in this Agreement.

RECITALS

WHEREAS, the Seller and certain of its Affiliates (collectively, the “Debtors” each of which is a “Debtor”) have filed voluntary cases (such cases, the “Chapter 11 Cases”) under chapter 11 of title 11 of the United States Code, 11 U.S.C. § 101 et seq. (as amended, the “Bankruptcy Code”), in the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “Bankruptcy Court”); and

WHEREAS, the Seller desires to sell, transfer, assign, convey and deliver to the Purchaser, and the Purchaser desires to purchase, acquire and accept from the Seller, all of the Seller’s right, title and interest in and to the Purchased Assets in a sale authorized by the Bankruptcy Court pursuant to, *inter alia*, sections 105, 363 and 365 of the Bankruptcy Code, all on the terms and subject to the conditions set forth in this Agreement and the Sale Order;

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties, covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

ARTICLE I

PURCHASE AND SALE OF ASSETS; ASSUMPTION OF LIABILITIES

Section 1.1 Purchase and Sale of Assets. Pursuant to sections 105, 363 and 365 of the Bankruptcy Code and on the terms and subject to the conditions set forth in this Agreement and the Sale Order, at the Closing, the Seller shall sell, transfer, assign, convey and deliver to the Purchaser, and the Purchaser shall purchase, acquire and accept from the Seller, free and clear of all Encumbrances (other than Encumbrances included in the Assumed Liabilities and Permitted Encumbrances), all of the Seller’s right, title and interest in, to and under all of the assets, properties, rights and interests expressly set forth on Schedule 1.1, as the same shall exist at the Closing (together with the Assigned Contracts, collectively, the “Purchased Assets”); provided, that at any time through and including the Closing, the Purchaser may amend Schedule 1.1 and/or Schedule 8.1(f) to remove any of the Seller’s assets, properties, rights and interests from such Schedule 1.1 and/or Schedule 8.1(f), and the Seller’s right, title and interest in, to and under all of the assets, properties, rights and interests expressly set forth on such Schedule 1.1 and/or Schedule

8.1(f), as amended, shall constitute the “Purchased Assets”; provided further, that any such amendment to Schedule 1.1 and/or Schedule 8.1(f), pursuant to this Section 1.1, shall not reduce the Cash Purchase Price. Notwithstanding anything to the contrary in this Agreement or any of the Ancillary Agreements, in no event shall the Seller be deemed to sell, transfer, assign, convey or deliver to the Purchaser, and the Seller shall retain all right, title and interest to, in and under, any and all assets, properties, rights and interests of the Seller (including any Contract which is not an Assigned Contract), other than the Purchased Assets.

Section 1.2 Assumption of Liabilities.

(a) On the terms and subject to the conditions set forth in this Agreement and the Sale Order, effective as of the Closing, the Purchaser shall assume from the Seller, and shall become solely and exclusively liable for, only those Liabilities set forth on Schedule 1.2(a) (collectively, the “Assumed Liabilities”).

(b) Notwithstanding anything to the contrary in this Agreement or any of the Ancillary Agreements, the Purchaser shall not assume and will be deemed not to have assumed, or become liable for the payment or performance of, any Liabilities of or against the Seller or any of its Affiliates of any kind or nature whatsoever except for the Assumed Liabilities, and the Seller and/or its Affiliates (as applicable) shall remain liable with respect to any Liabilities of the Seller and/or its Affiliates, other than the Assumed Liabilities, including, without limitation, those Liabilities that may result from any claims (as defined in Section 101(5) of the Bankruptcy Code) or causes of action asserted by a Governmental Body against any Person based on the Debtors’ and/or their Affiliates’ business operations or the use, operation, possession or ownership of the Purchased Assets by the Seller, other Debtors, and/or any of their predecessors or Affiliates prior to Closing and those specific Liabilities set forth on Schedule 1.2(b) attached hereto (all such Liabilities, the “Excluded Liabilities”).

Section 1.3 Assigned Contracts; Non-Assignable Assets.

(a) Notwithstanding anything to the contrary herein, from the Execution Date through and including the Closing Date, the Purchaser may elect to include in, or exclude from, the Purchased Assets any Contract of the Seller that was or was not previously included in the Purchased Assets; provided that no such change to the “Purchased Assets” shall reduce the amount of the Cash Purchase Price. To exercise its rights under this Section 1.3(a) to include any Contract in, or exclude any Contract from, the Purchased Assets, the Purchaser shall deliver one or more written notices (each, a “Designation Notice”) to the Seller specifying the Contract(s) that it does not wish to assume or Contract(s) that the Purchaser wishes to add as an Assigned Contract. Any such previously considered Assigned Contract that the Purchaser no longer wishes to assume shall be automatically deemed removed from the Schedules related to Assigned Contracts without any adjustment to the Cash Purchase Price, and any such previously considered Contract that the Purchaser wishes to assume as an Assigned Contract shall be automatically deemed added to the Schedules related to Assigned Contracts, and assumed by the Seller to sell and assign to the Purchaser, without any adjustment to the Cash Purchase Price. Pursuant to this Section 1.3(a), Schedule 8.1(f) and Schedule 1.1, each attached hereto, shall be deemed automatically updated upon the Purchaser’s delivery of a Designation Notice to reflect the addition of any Contract to, or the exclusion of any Contract from, the Purchased Assets. If as of the later of the Closing Date

and the date of delivery of the Designation Notice, any Assigned Contract is the subject of an objection as to the amount of the Cure Costs required for the Seller to assume and assign such Contract to the Purchaser, or other objection as to the assumption and assignability of such Contract, the Purchaser shall have until the Determination Date to decide whether to remove such Contract from the Schedules related to Assigned Contracts; provided that no such removal shall reduce the amount of the Cash Purchase Price. For purposes of this Section 1.3(a), “Determination Date” shall mean the date that is the earlier of (i) the date on which the Purchaser decides (in its sole discretion) to remove such Contract from the Schedules related to Assigned Contracts, (ii) the date on which such dispute has been resolved to the satisfaction of the Purchaser in its sole discretion, (iii) one hundred and twenty (120) days following the Closing, (iv) the date on which such contract is deemed rejected by operation of Section 365(d)(4) of the Bankruptcy Code, and (v) a date established by Order of the Bankruptcy Court. If any Contract is not expressly assumed by the Purchaser, then such Contract shall not be considered assumed and assigned to the Purchaser (and shall not be a Purchased Asset).

(b) The Seller shall take all reasonable actions required to assume and assign the Assigned Contracts to the Purchaser at the Closing (other than payment of the Cure Costs (if any), which shall be the sole responsibility of the Purchaser), including taking all reasonable actions required to obtain an Order of the Bankruptcy Court in form and substance satisfactory to the Purchaser in its sole discretion containing a finding that the proposed assumption and assignment of the Assigned Contracts to the Purchaser satisfies all applicable requirements of section 365 of the Bankruptcy Code. The Purchaser shall, at or prior to the Closing, provide all such information or documentation to satisfy all applicable requirements under section 365 of the Bankruptcy Code necessary to assume and assign to the Purchaser the Assigned Contracts (including, without limitation, by providing “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code), if applicable).

(c) Subject to Section 1.3(d), at the Closing, (i) the Seller shall, pursuant to the Sale Order and the Assignment and Assumption Agreement, assume and assign to the Purchaser (the consideration for which is included in the Purchase Price) each of the Assigned Contracts (subject to, if applicable, (x) the provision of “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code) by the Purchaser and (y) the payment by the Purchaser of the Cure Costs (if any) in respect of the Assigned Contracts) and (ii) the Purchaser shall pay or cause to be paid (and shall reimburse or cause to be reimbursed to the Seller any amounts paid prior to the Closing Date in respect of) all Cure Costs (if any) in connection with such assumption and assignment and assume and agree to perform and discharge the Assumed Liabilities (if any) under the Assigned Contracts pursuant to the Sale Order and the Assignment and Assumption Agreement.

(d) To the extent that the assignment to the Purchaser of any Assigned Contract, Assigned Permits or other Purchased Asset pursuant to this Agreement is not permitted without the consent, waiver, confirmation or other approval of a third party or is prohibited by applicable Law and such consent, waiver, confirmation or other approval or waiver of such prohibition in compliance with Law cannot be obtained prior to the Closing or overridden or canceled by the Sale Order or other Order of the Bankruptcy Court (such Purchased Assets, the “Nonassignable Assets”), then this Agreement will not be deemed to constitute an assignment of or an undertaking or attempt to assign such Nonassignable Asset or any right or interest therein unless and until such

consent, waiver, confirmation or other approval is obtained or such prohibition is waived in compliance with Law on terms satisfactory to the Purchaser in its sole discretion; provided that no Liability attendant to any Nonassignable Asset shall become an Assumed Liability until such Nonassignable Asset becomes a Purchased Asset. If any such consent, waiver, confirmation or other approval or waiver of such prohibition is not obtained prior to the Closing Date in respect of a Nonassignable Asset or any claim or right or any benefit arising thereunder for the assignment or transfer thereof to the Purchaser as the Purchaser may reasonably request, then, the Closing shall nonetheless take place (except as it relates to the Assigned Permits related to or issued for the Big Spring Project and the Minden Project, which, if not assignable without the consent, waiver, confirmation or other approval of a third party or because such assignment is prohibited by applicable Law, the Closing or the Minden Closing, as applicable, shall occur at the election of the Purchaser) subject to the terms and conditions set forth herein and, thereafter, solely to the extent not prohibited under applicable Law (including, without limitation, the Bankruptcy Code) or the terms of such Nonassignable Asset, the Purchaser and the Seller shall reasonably cooperate with each other in any lawful and feasible arrangement designed to provide the Purchaser with the benefits and obligations of such Nonassignable Asset (an “Interim Arrangement”), and until the date of the closing of the Chapter 11 Cases, the Seller will reasonably seek to enforce, at the reasonable request and sole expense, and for the account, of the Purchaser, any rights of the Seller arising from any such Nonassignable Asset against any third Person; provided, however, that (i) no Interim Arrangement shall terminate later than the earlier of (A) 180 days after the Closing Date and (B) the closing of the Chapter 11 Cases, and (ii) neither the Seller nor any of its Affiliates shall be required to do any of the following in connection with, as part of, or as required by any Interim Arrangement: (A) make any payments, (B) incur, assume, become liable in respect of or suffer to exist any Liabilities, or agree to or become bound by any commitments, undertakings, concessions, indemnities or other arrangements that would reasonably be likely to result in Liabilities to the Seller or any of its Affiliates, or (C) commence any lawsuit, arbitration or other proceeding against any Person. The Purchaser shall be responsible for performing all obligations with respect to each such Nonassignable Asset solely to the extent agreed to pursuant to the Interim Arrangement. If any such consent, waiver, confirmation or other approval or waiver of such prohibition with respect to any Nonassignable Asset is obtained after the Closing Date and prior to the termination of the applicable Interim Arrangement, then such Nonassignable Asset shall promptly be transferred and assigned to the Purchaser in accordance with the terms of this Agreement, the Sale Order and the Bankruptcy Code. The Purchaser acknowledges that no adjustment to the Purchase Price shall be made for any Nonassignable Assets that are not assigned.

ARTICLE II

CONSIDERATION; DEPOSIT

Section 2.1 Consideration. The aggregate consideration to be paid by the Purchaser to the Seller for the purchase of the Purchased Assets shall be as follows:

(a) cash in the amount of \$5,170,000 (the “Cash Purchase Price”) payable as follows:

(i) \$4,000,000 at Closing (the “Closing Cash Portion”); and

(ii) \$1,170,000 at Minden Closing, if any (the “Minden Cash Portion”);

(b) a credit bid pursuant to Section 363(k) of the Bankruptcy Code for the full amount of the Purchaser’s secured claim, which consists of \$8,969,845 in outstanding principal and accrued and unpaid interest, fees, costs, and expenses as of the Petition Date plus any other amounts and obligations under the Foundry Finance Agreement (the “Credit Bid”); and

(c) the assumption by the Purchaser of the Assumed Liabilities (together with the Cash Purchase Price and the Credit Bid, collectively, the “Purchase Price”).

Section 2.2 Deposit. On October 27, 2022, the Purchaser deposited \$500,000 (the “Deposit”) by wire transfer of immediately available funds with the Debtors’ disbursing agent, Epiq (the “Escrow Agent”), which Deposit the Escrow Agent shall hold in a noninterest-bearing account (the “Escrow Account”) pursuant to the terms of an escrow agreement (as amended, supplemented, amended and restated or otherwise modified from time to time, in form and substance acceptable to the Purchaser, the “Escrow Agreement”), attached hereto as Exhibit E. At the Closing, the Seller and the Purchaser shall instruct the Escrow Agent to deliver the Deposit to the Seller by wire transfer of immediately available funds into an account designated by the Seller, which Deposit shall be treated as a partial payment of the Cash Purchase Price pursuant to Section 2.1(a) of this Agreement. If this Agreement is validly terminated prior to the Closing, the Deposit shall be released and distributed to the Purchaser or the Seller in accordance with the terms set forth in Section 3.6(b), Section 3.6(c) and/or Section 3.6(d), as applicable.

Section 2.3 Payment of Cash Purchase Price. On the Closing Date, the Purchaser shall pay, or cause to be paid, the Cash Purchase Price minus the Deposit to the Seller by wire transfer of immediately available funds to the account or accounts of the Seller in accordance with written instructions delivered by the Seller to the Purchaser no less than one (1) Business Day prior to the Closing Date.

Section 2.4 Allocation of Purchase Price. The Purchaser shall, not later than one hundred twenty (120) days after the Closing Date, prepare and deliver to the Seller a schedule allocating the Purchase Price (including Assumed Liabilities to the extent that such Liabilities are required to be treated as part of the purchase price for Tax purposes) among the Purchased Assets in accordance with Section 1060 of the Code and U.S. Treasury Regulations thereunder (such schedule, the “Allocation Schedule”). If the Seller raises any objection to the Allocation Schedule within thirty (30) days after the receipt thereof, the Seller and the Purchaser will negotiate in good faith to resolve such objection(s). If the Seller and the Purchaser are unable to reach an agreement on the Allocation Schedule within twenty (20) days after the Seller first raises any objection to the Allocation Schedule, the Seller and the Purchaser shall submit to the Neutral Accountant a notice setting forth in reasonable detail their proposed allocations. The Neutral Accountant shall determine only the unresolved items with respect to the Allocation Schedule. The Neutral Accountant shall be instructed to determine its best estimate of the Allocation Schedule based on the unresolved items and provide a written description of the basis for its determination of the Allocation Schedule within twenty (20) days after the matter has been submitted to the Neutral Accountant, which written determination shall be final and binding and shall become the Allocation Schedule. The fees and expenses of the Neutral Accountant shall be split equally between the Seller, on the one hand, and the Purchaser, on the other hand. If the Seller does not

raise any objection to the Allocation Schedule within thirty (30) days after the receipt thereof, the Seller shall be deemed to have conclusively accepted and agreed to the Allocation Schedule proposed by the Purchaser. The Seller and the Purchaser shall report and file all Tax Returns (including amended Tax Returns and claims for refund) and Form 8594 consistent with the Allocation Schedule, and shall take no position contrary thereto or inconsistent therewith (including in any audits or examinations by any Governmental Body or any other proceeding) except as required by a final determination as defined in Section 1313 of the Code; provided, however, that nothing contained herein shall prevent the Seller or the Purchaser from settling any proposed deficiency or adjustment by any Governmental Body based upon or arising out of the Allocation Schedule, and neither the Seller nor the Purchaser shall be required to litigate before any court any proposed deficiency or adjustment by any Governmental Body challenging the Allocation Schedule. The Purchaser and the Seller shall cooperate in the filing of any forms, Tax Returns or other documents with respect to the Allocation Schedule. The Purchaser and the Seller shall promptly notify the other in writing upon receipt of notice of any pending or threatened Action challenging the Allocation Schedule.

ARTICLE III

The date on which the Closing actually occurs is referred to in this Agreement as the “Closing Date.”

Section 3.2 Closing Deliveries by the Seller. At or prior to the Closing and, as applicable, the Minden Closing, the Seller shall deliver, or cause to be delivered, to the Purchaser:

Section 3.3 Closing Deliveries by the Purchaser. At or prior to the Closing and, as applicable, the Minden Closing, the Purchaser shall deliver, or shall cause to be delivered, to the Seller:

Section 3.4 Private Sale. The Seller shall use its reasonable best efforts to cause the Bankruptcy Court to approve a private sale of the Purchased Assets, and the assignment and assumption of the Assigned Contracts, to the Purchaser on the terms and subject to the conditions set forth in this Agreement.

Section 3.5 Termination of Agreement.

This Agreement may be terminated at any time prior to the Closing as follows:

(a) by the mutual written consent of the Seller and the Purchaser at any time prior to the Closing;

(b) by the written notice of the Purchaser to the Seller, or by the written notice of the Seller to the Purchaser, in either case, if the Closing shall not have been consummated on or prior to December 31, 2022 (the “Outside Date”); provided, that the right to terminate this Agreement under this Section 3.5(b) shall not be available to the Purchaser or the Seller, as applicable, if the Purchaser or the Seller, as applicable, is then in material breach or violation of any of its representations, warranties, covenants or agreements set forth this Agreement;

(c) by the written notice of the Purchaser to the Seller, or by the written notice of the Seller to the Purchaser, in either case, if any Governmental Body, including the Bankruptcy Court, shall have enacted, issued, promulgated, enforced or entered any Law (including any Order) that permanently enjoins, restrains, prevents, makes illegal or otherwise prohibits the consummation of the transactions contemplated by this Agreement in accordance with the terms hereof (any such Law, a “Legal Restraint”) and such Legal Restraint has become final and nonappealable; provided, that the right to terminate this Agreement under this Section 3.5(c) shall not be available to the Purchaser or the Seller, as applicable, if the Purchaser or the Seller, as applicable, is then in material breach or violation of this Agreement and such breach or violation is the cause of the Legal Restraint;

(d) by the written notice of the Purchaser to the Seller, (i) if the Seller shall have breached or failed to perform any of its representations, warranties, covenants or other obligations contained in this Agreement, or if any representation or warranty of the Seller in this Agreement shall have become untrue, and (ii) any such breach, failure to perform or occurrence referred to in clause (i) (A) would result in a failure of any condition set forth in Section 7.3(a) or Section 7.3(b) and (B) is not curable or able to be performed, or, if curable or able to be performed, is not cured or performed prior to the earlier of (x) the Outside Date and (y) thirty (30) days after written notice of such breach, failure or occurrence is given to the Seller by the Purchaser; provided, that, at the time of such termination, the Purchaser is not in material breach of any of its representations, warranties, covenants or other agreements contained in this Agreement;

(e) by the written notice of the Seller to the Purchaser, (i) if the Purchaser shall have breached or failed to perform any of its representations, warranties, covenants or other obligations contained in this Agreement, or if any representation or warranty of the Purchaser in this Agreement shall have become untrue, and (ii) any such breach, failure to perform or occurrence referred to in clause (i) (A) would result in a failure of a condition set forth in Section 7.2(a) or Section 7.2(b) and (B) is not curable or able to be performed, or, if curable or able to be performed, is not cured or performed prior to the earlier of (x) the Outside Date and (y) thirty (30) days after written notice of such breach, failure or occurrence is given to the Purchaser by the Seller; provided, that, at the time of such termination, the Seller is not in material breach of any of its representations, warranties, covenants or other agreements contained in this Agreement;

(f) by written notice of the Seller to the Purchaser, if all of the conditions set forth in Section 7.1 and Section 7.3 have been satisfied (other than conditions that by their nature

are to be satisfied at the Closing) or waived and the Purchaser fails to consummate the Closing on or prior to the date on which the Closing is required to have occurred pursuant to Section 3.1; provided, that, at the time of such termination, the Seller is not in material breach of any of its representations, warranties, covenants or other agreements contained in this Agreement;

(g) by written notice of the Purchaser to the Seller, if all of the conditions set forth in Section 7.1 and Section 7.2 have been satisfied (other than conditions that by their nature are to be satisfied at the Closing) or waived and the Seller fails to consummate the Closing on or prior to the date on which the Closing is required to have occurred pursuant to Section 3.1;

(h) by written notice of the Purchaser to the Seller, if the Sale Order is not entered by November 24, 2022;

(i) by written notice of the Purchaser to the Seller, in the event the Seller enters into any agreement with respect to an Alternative Transaction; and

(j) by written notice of the Purchaser to the Seller, if the Bankruptcy Court shall have entered an Order dismissing, or converting into cases under chapter 7 of the Bankruptcy Code, any of the Chapter 11 Cases.

Section 3.6 Effect of Termination.

(a) In the event of the valid termination of this Agreement pursuant to Section 3.5, this Agreement shall terminate and become null and void and of no further force or effect, the transactions contemplated by this Agreement shall be abandoned without further action of the parties hereto and there shall be no Liability hereunder on the part of the Seller or any of the other Seller Parties, or the Purchaser or any of the other Purchaser Parties; provided, that (i) the provisions of Section 3.5, this Section 3.6 and Article IX, and any defined terms used in any such Section or Article, shall remain in full force and effect and shall survive the termination of this Agreement; and (ii) no such termination shall relieve any party hereto from Liability for any breach of this Agreement that occurred prior to such termination (including, without limitation, the Purchaser's failure to consummate the Closing upon satisfaction (or deemed satisfaction) or waiver of the conditions to Closing set forth in Section 7.1 and Section 7.3 (other than those conditions which are to be satisfied only on the Closing Date)); provided, further that upon such termination, each of the provisions of the Confidentiality Agreement shall survive and remain in full force and effect for the longer of (A) the remainder of the term of survival applicable to such provision as set forth in the Confidentiality Agreement and (B) one (1) year following the date of such termination. Any termination of this Agreement pursuant to Section 3.5 shall be effective on the date that written notice of such termination is given by the terminating party to the other party hereto in accordance with Section 9.9; provided, that in the case of any termination of this Agreement pursuant to Section 3.5(a), the date of termination shall be the date of termination set forth in the writing signed by the Purchaser and the Seller.

(b) If the Seller terminates this Agreement pursuant to Section 3.5(e) or Section 3.5(f), then the Seller shall be entitled to disbursement of the Deposit from the Escrow Account as liquidated damages as its sole and exclusive remedy. Nothing in this Section 3.6(b) or elsewhere in this Agreement shall be deemed to impair the right of any party hereto to bring any action or

actions for specific performance, injunctive and/or other equitable relief (including the right of any party hereto to compel specific performance by another party hereto of its obligations under this Agreement) pursuant to Section 9.12 prior to the valid termination of this Agreement.

(c) In the event of a termination of this Agreement, other than a termination by the Seller pursuant to Section 3.5(e) or Section 3.5(f), the Purchaser shall be entitled to disbursement of the Deposit from the Escrow Account.

(d) In the event that this Agreement is terminated pursuant to Section 3.5 and the Seller or the Purchaser are entitled to receive the Deposit, then the Seller or the Purchaser may deliver to the Escrow Agent, at any time following the effective date of any such termination, a letter instructing the Escrow Agent to pay to the Seller or the Purchaser, as applicable, the Deposit from the Escrow Account and the distribution of the Deposit by the Escrow Agent shall be subject to the terms of the Escrow Agreement.

Section 3.7 Minden Closing.

(a) Notwithstanding anything in this Agreement to the contrary, the Purchaser, by written notice to the Seller, may defer the purchase of the Minden Purchased Assets, and the assumption of the Minden Assumed Liabilities ("Minden Closing") until March 31, 2023 or, if later, the effective date of the Debtors' plan of liquidation or reorganization in the Chapter 11 Cases (the "Minden Outside Date"). The Minden Closing, if any, shall take place in the manner set forth in Section 3.1 on such date determined by the Purchaser in its sole discretion. Section 5.3 Conflicts; Consents and Approvals.

(a) None of the execution and delivery by the Purchaser of this Agreement or any of the Purchaser Ancillary Agreements, the consummation by the Purchaser of the transactions contemplated hereby or thereby, or the performance by the Purchaser of any of its obligations hereunder or thereunder will (i) conflict with or violate the Organizational Documents of the Purchaser, (ii) result in a material violation of or default (with or without notice or lapse of time, or both) under, require any consent under, or give rise to a right of termination, cancellation or acceleration of any obligation or to the loss of a benefit under, any provision of any Contract to which the Purchaser is a party or by which the Purchaser or any of its properties or assets is bound, (iii) assuming that all approvals, orders, Permits, consents, registrations, declarations, notifications and filings described in Section 5.3(b) have been made, given or obtained, as applicable, violate any Law applicable to the Purchaser or by which any of its properties or assets are bound or (iv) result in the imposition or creation of any Encumbrance on any property or asset of the Purchaser, other than, in the case of clauses (ii), (iii) and (iv), such violations, defaults, unobtained consents, terminations, cancellations, accelerations, losses or Encumbrances that would not, individually or in the aggregate, reasonably be expected to materially and adversely affect the Purchaser's ability to consummate the transactions contemplated by this Agreement.

(b) No approval, Order or Permit from, consent by, or registration, declaration, notification or filing with, any Governmental Body is required on the part of the Purchaser in connection with the execution and delivery by the Purchaser of this Agreement or the Purchaser Ancillary Agreements, the performance by the Purchaser of any of its obligations hereunder or thereunder, or the consummation by the Purchaser of the transactions contemplated hereby or thereby, except for (i) the entry of the Sale Order by the Bankruptcy Court, and (ii) such approvals, Orders, Permits, consents, registrations, declarations, notifications or filings the failure of which to obtain, give or make would not, individually or in the aggregate, reasonably be expected to materially and adversely affect the Purchaser's ability to consummate the transactions contemplated by this Agreement.

Section 5.4 Financial Capacity. The Purchaser (a) has, and at the Closing will have, sufficient internal funds (without giving effect to any unfunded financing regardless of whether any such financing is committed) to consummate the transactions contemplated by this Agreement and the Ancillary Agreements, (b) has, and at the Closing will have, the resources and capabilities (financial or otherwise) to perform its obligations hereunder and under the Purchaser Ancillary Agreements, and (c) has not incurred any obligation, commitment, restriction or Liability of any kind that would impair or adversely affect such funds, resources and capabilities.

Section 5.5 Brokers and Finders. The Purchaser has not engaged any investment banker, broker, finder, consultant or intermediary who is entitled to any investment banking, brokerage, finder's or similar fee or commission in connection with this Agreement or the transactions contemplated hereby for which the Seller or any of its Affiliates or Representatives will become liable.

Section 5.6 Qualification.

(a) As of the Closing, the Purchaser will be capable of satisfying the conditions contained in sections 365(b)(1)(C) and 365(f) of the Bankruptcy Code with respect to the Assigned Contracts.

(b) To the knowledge of the Purchaser, there exist no facts or circumstances that would cause, or be reasonably expected to cause, the Purchaser and/or its Affiliates not to qualify as "good faith" purchasers under Section 363(m) of the Bankruptcy Code.

Section 5.7 Independent Investigation; Reliance By the Purchaser. The Purchaser (directly or through its Affiliates or Representatives) is an informed and sophisticated purchaser, and has engaged expert advisors that are experienced in the evaluation and acquisition of assets and liabilities such as the Purchased Assets and the Assumed Liabilities, as contemplated hereunder. The Purchaser (directly or through its Affiliates or Representatives) has undertaken such investigation as it has deemed necessary to enable it to make an informed and intelligent decision with respect to the execution, delivery and performance of this Agreement and each of the Purchaser Ancillary Agreements, and the consummation of the transactions contemplated hereby or thereby. The Purchaser confirms that the Seller has provided the Purchaser with the opportunity to ask questions of the officers and employees of the Seller and its Affiliates and to acquire additional information about the Purchased Assets and the Assumed Liabilities.

Section 5.8 RELIANCE/ACKNOWLEDGMENT. NOTWITHSTANDING ANYTHING CONTAINED IN THIS AGREEMENT OR ANY OF THE ANCILLARY AGREEMENTS TO THE CONTRARY, THE PURCHASER ACKNOWLEDGES AND AGREES THAT, EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES EXPRESSLY MADE BY THE SELLER IN ARTICLE IV OF THIS AGREEMENT (AS MODIFIED BY THE SELLER DISCLOSURE SCHEDULES): (I) NONE OF THE SELLER, ANY AFFILIATES OF THE SELLER OR ANY OTHER PERSON IS MAKING ANY REPRESENTATIONS OR WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED, AT LAW OR IN EQUITY, WITH RESPECT TO THE SELLER, THE PURCHASED ASSETS, THE ASSUMED LIABILITIES, OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY OF THE ANCILLARY AGREEMENTS, INCLUDING ANY REPRESENTATION OR WARRANTY AS TO THE CONDITION, MERCHANTABILITY, USAGE, SUITABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE PURCHASED ASSETS, THE ASSUMED LIABILITIES, OR ANY PART THEREOF; (II) THE PURCHASER HAS NOT EXECUTED OR AUTHORIZED THE EXECUTION OF THIS AGREEMENT OR ANY OF THE ANCILLARY AGREEMENTS OR ENTERED INTO THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY IN RELIANCE UPON, AND HEREBY SPECIFICALLY DISCLAIMS RELIANCE UPON, ANY PROMISE, STATEMENT, PROJECTION, FORECAST, REPRESENTATION OR WARRANTY WHATSOEVER MADE

OR OMITTED TO BE MADE TO THE PURCHASER OR ANY OF ITS AFFILIATES, ADVISORS, OFFICERS, EMPLOYEES, AGENTS OR REPRESENTATIVES, INCLUDING ANY SUCH PROMISE, STATEMENT, PROJECTION, FORECAST, REPRESENTATION OR WARRANTY AS TO THE CONDITION, VALUE, QUALITY OR PROSPECTS OF THE PURCHASED ASSETS, THE ASSUMED LIABILITIES, OR ANY PART THEREOF; (III) SUBJECT TO THE ACCURACY OF THE REPRESENTATIONS CONTAINED IN ARTICLE IV OF THIS AGREEMENT, THE PURCHASED ASSETS ARE BEING TRANSFERRED “AS IS”, “WHERE IS” AND “WITH ALL FAULTS”; AND (IV) NONE OF THE SELLER, ANY AFFILIATES OF THE SELLER OR ANY OTHER PERSON HAS MADE ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AT LAW OR IN EQUITY, AS TO THE ACCURACY OR COMPLETENESS OF ANY PROJECTION, FORECAST, STATEMENT OR INFORMATION MADE, COMMUNICATED OR FURNISHED (ORALLY OR IN WRITING) TO THE PURCHASER OR ANY OF ITS AFFILIATES, ADVISORS, OFFICERS, EMPLOYEES, AGENTS OR REPRESENTATIVES IN CONNECTION WITH THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY (INCLUDING ANY OF THE FOREGOING MADE IN RESPONSE TO ANY DUE DILIGENCE REQUEST LIST OR MADE DURING ANY DUE DILIGENCE TELEPHONIC OR IN-PERSON MEETINGS), AND NONE OF THE SELLER, ANY AFFILIATES OF THE SELLER OR ANY OTHER PERSON WILL HAVE OR BE SUBJECT TO ANY LIABILITY TO THE PURCHASER OR ANY OTHER PERSON RESULTING FROM THE DISTRIBUTION TO THE PURCHASER OR ANY OF ITS AFFILIATES, ADVISORS, OFFICERS, EMPLOYEES, AGENTS OR REPRESENTATIVES OF, OR ANY SUCH PERSON’S USE OF OR RELIANCE ON, ANY SUCH PROJECTION, FORECAST, STATEMENT OR INFORMATION OR ANY ERRORS THEREIN OR OMISSIONS THEREFROM.

Section 5.9 NO OTHER REPRESENTATIONS. EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES EXPRESSLY MADE BY THE PURCHASER IN THIS ARTICLE V, NEITHER THE PURCHASER, ANY AFFILIATES OF THE PURCHASER NOR ANY OTHER PERSON MAKES ANY EXPRESS OR IMPLIED REPRESENTATION OR WARRANTY WITH RESPECT TO THE PURCHASER OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY OF THE ANCILLARY AGREEMENTS AND THE PURCHASER HEREBY EXPRESSLY DISCLAIMS ANY OTHER REPRESENTATIONS OR WARRANTIES, WHETHER IMPLIED OR MADE BY THE PURCHASER, ANY AFFILIATE OF THE PURCHASER, OR ANY OF THEIR RESPECTIVE OFFICERS, MANAGERS, DIRECTORS, STOCKHOLDERS, MEMBERS, PARTNERS, EMPLOYEES, AGENTS, CONSULTANTS OR REPRESENTATIVES.

ARTICLE VI

COVENANTS AND AGREEMENTS

Section 6.1 Conduct of Seller. During the period from the Execution Date and continuing until the earlier of the termination of this Agreement in accordance with Section 3.5 and the Closing Date, except (a) as required by the Bankruptcy Court, the Bankruptcy Code or other applicable Law, or (b) with the prior written consent of the Purchaser, the Seller shall: (i) use commercially reasonable efforts to (A) operate and/or maintain the Purchased Assets in the

ordinary course of business and in compliance with applicable Laws in all material respects, and (B) maintain and keep the tangible Purchased Assets in reasonably good operating condition and repair for the purposes for which such Purchased Assets are used in the business of the Seller (subject to normal wear and tear), (ii) use commercially reasonable efforts to preserve and maintain all of the Assigned Permits, (iii) not terminate, cancel or amend in any material respect any of the Assigned Contracts or Assigned Permits, or release, assign or waive any material rights thereunder, (iv) not cancel, forgive or compromise any material debt or claim that would have constituted a Purchased Asset if not so cancelled, forgiven or compromised, (v) not transfer or convey, offer to transfer or convey, abandon or allow to lapse or dedicate to the public any rights in any Purchased Intellectual Property, or terminate or allow to expire any Contract governing any Licensed Intellectual Property, or disclose or allow to be disclosed any Confidential Information to any third party without appropriate confidentiality or non-disclosure requirements on such third party, (vi) not cancel or terminate any material Insurance Policy without obtaining comparable substitute insurance coverage or fail to report known claims to any insurance carrier in a timely manner in accordance with the terms of the Insurance Policies, (vii) not voluntarily permit any of the Purchased Assets to become subject to any Encumbrance, except for Permitted Encumbrances which do not involve monetary liability, and (viii) not sell, assign, license, transfer, convey, lease, surrender, relinquish, terminate or otherwise dispose of the Purchased Assets. During the period from the Execution Date and continuing through and including the date of the termination of the Transition Services Agreement, the Seller shall not, and shall cause its Affiliates not to, destroy, delete, modify or transfer any Seller Data. From and after the Execution Date, the Seller shall not, and shall cause its Affiliates not to, publicly disclose any portion of the Seller Data.

Section 6.2 Taxes.

(a) Any sales, use, purchase, transfer, franchise, deed, fixed asset, stamp, documentary stamp, use, recording or other similar Taxes that arise from the sale of the Purchased Assets or the assumption of the Assumed Liabilities under this Agreement or the transactions contemplated herein (all of the foregoing, "Transfer Taxes"), as well as any related Tax Return preparation and filing costs, shall be borne and timely paid by the Purchaser. Each Tax Return with respect to such Transfer Taxes will be prepared and timely filed by the Purchaser. In the event that any such Tax Return requires execution by the Seller, the Seller shall promptly execute such Tax Return after receipt thereof from the Purchaser and deliver it to the Purchaser so long as such Tax Return was prepared in compliance with applicable Law.

(b) The Seller shall be allocated and bear all property Taxes and similar ad valorem obligations levied based upon or measured by the ownership or operation of the Purchased Assets (collectively, the "Asset Taxes") for (i) any period ending on or prior to the Closing Date and (ii) the portion of any Straddle Period ending on the Closing Date; provided, however, that the Seller shall not be liable for or be required to pay any Taxes resulting from any act taken by the Purchaser or any of its Affiliates after the Closing, or any Tax election made by the Purchaser or any of its Affiliates that would be effective on or before the Closing Date to the extent that any such act or election is inconsistent with prior practice of the Seller with respect to the business of the Seller or Purchased Assets. The Purchaser shall be allocated and bear all Asset Taxes (A) that are described in the proviso of the immediately preceding sentence, (B) for any period that begins on or after the Closing Date, and (C) the portion of any Straddle Period beginning after the Closing Date, including any such Asset Taxes that were paid or prepaid by the Seller at or prior to the

Closing. For purposes of this Section 6.2(b), Asset Taxes imposed on a periodic basis pertaining to a Straddle Period shall be allocated between the portion of such Straddle Period ending on the Closing Date and the portion of such Straddle Period beginning after the Closing Date by prorating each such Asset Tax based on the number of days in the applicable Straddle Period ending on and including the Closing Date, on the one hand, and the number of days in such Straddle Period that occur after the Closing Date, on the other hand, and all other Asset Taxes (if any) based upon sales, purchases or receipts shall be allocated upon a hypothetical closing of the taxable year on the Closing Date. The party hereto responsible under applicable Law for paying an Asset Tax shall be responsible for preparing and filing the Tax Return for such Asset Tax and for paying such Asset Tax shown to be due on such Tax Return. The Seller, on the one hand, or the Purchaser, on the other hand, as the case may be, shall promptly (but in no event later than twenty (20) days after receipt of notice from the party hereto making such payment) provide reimbursement for any Asset Tax paid by the other party, all or a portion of which is the responsibility of such party in accordance with the terms of this Section 6.2(b). For the avoidance of doubt, the Seller shall be solely liable for any income Taxes relating to the Purchased Assets or the business as it relates to any period prior to the Closing Date.

Section 6.3 Insurance. The Purchaser hereby acknowledges and agrees that, effective upon the Closing, all policies of, and binders evidencing, any form or type of insurance that are owned or maintained by the Seller or any of its Affiliates that cover or relate to the Seller or any of its assets, liabilities, employees, businesses or operations (such policies and binders, the “Seller Insurance Coverage”) shall cease to provide coverage for losses related to Purchased Assets and the Assumed Liabilities with respect to events and occurrences that take place after the Closing Date, and neither the Seller nor any of its Affiliates will be purchasing or otherwise acquiring any “tail” policy or other additional or substitute coverage for the foregoing. Any refund, rebate, credit or other amount paid, distributed or returned by any insurance provider or other Person in respect of, or relating to, the Seller’s or any of its Affiliates’ termination or modification of any Seller Insurance Coverage with respect to events and occurrences that take place after the Closing Date shall be the property of the Seller or such Affiliate. Notwithstanding the foregoing, from and after the Closing Date, the Purchaser shall be entitled to the benefits of the Insurance Policies with respect to claims for loss arising out of events or occurrences that take place prior to the Closing Date, without regard to retentions or deductibles but subject to the terms and conditions of the Insurance Policies, with respect to the Purchased Assets. For so long as the Seller shall exist following the Closing, the Seller shall cooperate and provide access to the Insurance Policies to the Purchaser with respect to such claims, including in connection with the filing of insurance claims and the collection of insurance proceeds. The Seller shall assign to the Purchaser, to the extent assignable, the right, power and authority to submit claims directly to the applicable insurers pursuant to the terms of the Insurance Policies and to pursue and recover proceeds under the Insurance Policies. Any party receiving notice with respect to any such claim shall promptly notify the other Parties hereto.

Section 6.4 Access. Prior to the Closing, the Seller shall use commercially reasonable efforts to provide the Purchaser, its Affiliates, and its and their respective Representatives with reasonable access during normal business hours and upon reasonable advance written notice to the facilities, employees, Seller Data (including the Seller Data archived and/or in the cloud), and books and records of the Seller relating to the Purchased Assets and related properties, operations and business, as may be reasonably requested by the Purchaser from time to time; provided that

such access does not unreasonably disrupt the personnel, or unreasonably interfere with the operations, of the Seller or any of its Affiliates, and the Purchaser, its Affiliates and its and their respective Representatives shall use commercially reasonable efforts to conduct all communications with personnel and all on-site investigations in a commercially reasonable manner. Notwithstanding anything to the contrary in this Agreement, the Seller shall not be required to provide such access to the extent that it (i) would reasonably be expected to jeopardize any attorney-client privilege, attorney work-product protection or other legal privilege or (ii) would reasonably be expected to contravene any applicable Law or contract. Any Confidential Information provided pursuant to this Section 6.4 shall be subject to the applicable terms and conditions of the Confidentiality Agreement. From and after the Closing, the Seller shall reasonably cooperate with the Purchaser, and shall provide assistance to the Purchaser, to enable the Purchaser to use the Purchased Intellectual Property, including the ability to access and use all Seller Data (including Seller Data archived and/or in the cloud).

Section 6.5 Confidentiality.

(a) Following the Closing, the Seller shall not and shall cause its Affiliates not to divulge or disclose to any third party (other than to (x) the Seller's Representatives, and (y) the Purchaser or any Representatives of the Purchaser) or use any Confidential Information, unless (i) such information was or becomes generally available to the public or the participants in the industries to which the Purchased Assets are related other than as a result of a disclosure by the Seller in breach of this Section 6.5(a) or (ii) such information was or becomes available to the Seller on a non-confidential basis from a source other than the Purchaser or any of its Affiliates and such source is not known to the Seller to be bound by a confidentiality obligation to the Purchaser or any of its Affiliates; provided, however, that the provisions of this Section 6.5(a) will not prohibit any disclosure of any Confidential Information (A) as required by Law or requested by any Governmental Body so long as, to the extent practicable, reasonable prior notice is given to the Purchaser of such disclosure and a reasonable opportunity is afforded the Purchaser to contest the same, (B) as is reasonably necessary in connection with the performance, enforcement, exercise or assertion of any right, remedy or defense relating to this Agreement or any Ancillary Agreement or the transactions contemplated hereby or thereby, (C) as may be necessary in connection with the Chapter 11 Cases and/or the administration of the Seller's and/or its Affiliates' chapter 11 estates, or (D) that is necessary and proper in conjunction with the filing of any Tax Return or other document required to be filed with any Governmental Body under applicable Law.

(b) The Purchaser shall, and the Purchaser shall cause its Representatives (as such term is defined in the Confidentiality Agreement) to, treat all nonpublic information obtained in connection with this Agreement and the transactions contemplated hereby as confidential in accordance with the terms of the Confidentiality Agreement.

(c) Except as contemplated by Section 6.6, the Seller and the Purchaser will not, and the Seller and the Purchaser will cause their respective Affiliates and Representatives not to, disclose to any Person any information with respect to the legal, financial or other terms or conditions of this Agreement or any Ancillary Agreement or any of the transactions contemplated hereby and thereby. The foregoing does not restrict the right of any party hereto or any of its Affiliates or Representatives to disclose such information (i) to its Affiliates and Representatives, (ii) as required by any Law or requested by any Governmental Body (including the Bankruptcy

Court), (iii) as is necessary and proper in conjunction with the filing of any Tax Return with any Governmental Body, (iv) as is reasonably necessary in connection with the enforcement, exercise or assertion of any right, remedy or defense relating to this Agreement or any Ancillary Agreement or the transactions contemplated hereby or thereby, and (v) in the case of the Seller and its Affiliates and Representatives, as may be necessary in connection with the Chapter 11 Cases and/or the administration of the Seller's and/or its Affiliates' chapter 11 estates. Each party will advise its Affiliates and Representatives with respect to the confidentiality obligations under this Section 6.5(c) and will be responsible for any breach or violation of such obligations by any such Persons.

Section 6.6 Publicity. Unless otherwise required by or reasonably necessary to comply with applicable Law or Bankruptcy Court requirements, and except for disclosure of matters that become a matter of public record as a result of the Chapter 11 Cases and any filings or notices made with the Bankruptcy Court related thereto, each of the Seller and the Purchaser agree that it (a) shall communicate and consult with each other prior to making any public disclosure or statements with respect to this Agreement or the transactions contemplated hereby and (b) shall not issue, and it shall cause its respective Affiliates and Representatives not to issue, any public release or public announcement concerning this Agreement or the transactions contemplated hereby without the prior written consent of the other party. Nothing in this Agreement shall restrict or prohibit the Seller, Purchaser or their respective Affiliates from communicating with their respective employees, customers, suppliers or other business relations or other direct or indirect financing sources (including direct and indirect equityholders).

Section 6.7 Wrong Pocket.

(a) The Seller and its Affiliates shall (i) promptly deliver to the Purchaser any mail or other communication relating to any of the Purchased Assets or any of the Assumed Liabilities and received by the Seller or its Affiliates on or after the Closing Date, (ii) promptly transfer in immediately available funds to the Purchaser any cash, electronic credits or deposits received by the Seller or its Affiliates on or after the Closing Date to the extent that such cash, electronic credits or deposits are Purchased Assets and (iii) promptly forward to the Purchaser any checks or other instruments of payment that the Seller or any of its Affiliates receives on or after the Closing Date to the extent that such checks or other instruments are Purchased Assets.

(b) The Purchaser shall (i) promptly deliver to the Seller any mail or other communication not relating to the Purchased Assets or the Assumed Liabilities and received by the Purchaser on or after the Closing Date, (ii) promptly transfer in immediately available funds to the Seller any cash, electronic credits or deposits received by the Purchaser to the extent that such cash, electronic credits or deposits are not Purchased Assets and (iii) promptly forward to the Seller any checks or other instruments of payment that it receives on or after the Closing Date to the extent that such checks or other instruments are not Purchased Assets.

(c) For the avoidance of doubt, all Purchased Assets, including, but not limited to, miners, equipment or other property that are stored, held, located or used at a location other than the Acquired Projects are property of the Seller and, as of and following the Closing, neither the Seller nor any of its Affiliates shall have any right or interest in such property; and nothing herein shall prevent the Purchaser from (i) asserting that such Purchased Assets including, but not

limited to, miners, equipment, or other property belong to the Purchaser as of and after the Closing and (ii) taking any efforts to restore such miners, equipment, or other property to the Acquired Projects.

Section 6.8 Use of Acquired Names. It is expressly acknowledged and agreed that the Purchaser is acquiring (on its own behalf or on behalf of any of its Affiliates) all right, title or interest in, and all rights to use, the name “Compute North” or the identifier “CN” (including in any trademarks, service marks, trade dress, trade names, domain names, logos, identifying symbols, signs or corporate names), all variations or derivatives thereof, and all names, identifiers or marks confusingly similar thereto (any of the foregoing, the “Acquired Names”). From and after the Closing Date, and for a period ending on December 31, 2022 (the “Acquired Name Use Deadline”), the Purchaser agrees that the Seller has a non-transferable, non-exclusive, non-sublicenseable, limited permission to use the Acquired Names and the domain name “computenorth.com” solely for the purpose of winding down the use of the Acquired Names on a transitional basis in connection with the Seller’s administration of the Chapter 11 Cases. Following the Acquired Name Use Deadline, the Seller shall not use, and shall cause all of its Affiliates following the Closing not to use, the Acquired Names. Promptly following the Closing, but in no event later than the Acquired Name Use Deadline, the Seller shall, and shall cause its Affiliates to, discontinue the use of its current name (and any other trade names or “d/b/a” names currently utilized by the Seller or its Affiliates) and shall not subsequently change its name to or otherwise use or employ any name which includes the words “Compute North” or the identifier “CN” without the prior written consent of the Purchaser, and the Seller shall cause the names of each Debtor in the caption of the Chapter 11 Cases to be changed to the new names of each Debtor as determined in consultation with the Purchaser. Within sixty (60) days following the Closing, the Debtors shall file all necessary organizational amendments with the applicable Secretary of State of each Debtor’s jurisdiction of formation and in each State in which each such Debtor is qualified to do business and with the Bankruptcy Court to effectuate the foregoing.

Section 6.9 Access and Preservation of Records. Until the earlier of the date (x) of the closing of the Chapter 11 Cases and (y) on which the Seller is liquidated or dissolved, the Purchaser agrees that it shall preserve and keep the books and records (whether in documentary or data form) held by it or its Affiliates relating to the Purchased Assets and the Assumed Liabilities after the Closing and shall make such books and records available upon reasonable advance request during normal business hours (and solely to the extent providing such access is not materially disruptive to the business of the Purchaser or the use or operation of the Purchased Assets) to the Seller, Seller’s successor in interest, including any post-confirmation trust, and the Seller’s auditors, attorneys, agents and other Representatives in connection with the administration and/or closing of the Chapter 11 Cases.

Section 6.10 Further Assurances.

(a) Subject to the terms and conditions of this Agreement and applicable Law, at all times prior to the earlier of the Closing and the termination of this Agreement in accordance with Section 3.5, (x) the Seller shall (and shall cause its Affiliates and its and their respective Representatives to), and (y) the Purchaser shall (and shall cause its Representatives to), use their respective commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable under applicable Law to ensure that the

conditions precedent to the other party's obligations hereunder to consummate the transactions contemplated hereby set forth in Article VII are satisfied and to consummate and make effective the transactions contemplated by this Agreement and the Ancillary Agreements as soon as practicable, but in any event on or prior to the Outside Date, including using its commercially reasonable efforts to obtain all necessary waivers, consents, approvals and Orders (including entry of the Sale Order by the Bankruptcy Court) and effecting all necessary registrations and filings to consummate and make effective the transactions contemplated hereby.

(b) Subject to the terms and conditions of this Agreement, neither the Seller nor the Purchaser shall take any action or refrain from taking any action the effect of which would be to delay or impede the ability of the Seller or the Purchaser to consummate the transactions contemplated by this Agreement (including taking any action or refraining from taking any action the effect of which is intended or would reasonably be expected to result in any of the conditions to any party's obligations to consummate the transactions contemplated hereby set forth in Article VII to not be satisfied) unless taking such action or refraining from taking such action is required by applicable Law.

Section 6.11 Employees.

(a) From and after the date hereof, with respect to any Employee who remains employed by the Seller or its Affiliates and performs services in respect of the Purchased Assets, the Purchaser, in its sole and absolute discretion, may: (i) communicate with and regarding possible employment with the Purchaser or its Affiliates after the Closing Date; and/or (ii) offer employment to any of the Employees to be effective on a date specified by the Purchaser. The Purchaser shall have the right but not the obligation to hire, or cause its Affiliate to hire, any or all of such Employees. The Seller shall take no action, and shall cause its Affiliate not to take any action, including the offering of employment with the Seller or any of its Affiliates, to induce such employees not to accept employment with the Purchaser or any of its Affiliates. Those Employees that accept the offer of employment from the Purchaser or any of its Affiliate shall be terminated by the Seller and its Affiliates, as applicable, and shall become employed by the Purchaser or one or more of its Affiliates, as applicable, on the Closing Date or such other later date as specified by the Purchaser. The Seller agrees that, with respect to each Employee that accepts the offer of employment from the Purchaser or its Affiliates, the Seller shall, and shall cause its applicable Affiliate to, waive and not enforce any non-competition or similar restrictive covenant binding on such Employee to the extent such non-competition or restrictive covenant would prevent such Employee from entering into and continuing employment with the Purchaser or its Affiliates or engaging in any activity with respect thereto. Schedule 6.11(a) sets forth a true, correct and complete list of the names, titles and business locations of all employees of the Seller or any of its Affiliates who perform services related to the Purchased Assets or services contemplated to be performed pursuant to the Transition Services Agreement, if any.

(b) The Seller or its Affiliates shall be responsible for COBRA Coverage and all other legally mandated continuation of health care coverage for all M&A Qualified Beneficiaries and any other Employee, and any of their covered dependents, who become eligible for such coverage on or prior to the Closing Date. For the maximum period that any M&A Qualified Beneficiary is eligible for COBRA Coverage, the Seller shall maintain, or cause its ERISA Affiliates to maintain, a "group health plan," within the meaning of Section 5500 of the

Code, to provide COBRA Coverage to each such M&A Qualified Beneficiary in accordance with Section 4980B of the Code and Sections 601 through 608 of ERISA. The Seller shall provide a revised COBRA Schedule that is updated as of the Closing.

(c) Without limiting the generality of Section 1.2, the Purchaser shall not assume any Liability, contingent or otherwise for any of the following: (i) any payments or entitlements owed on behalf of or to any Employee, including wages, other remuneration, holiday or vacation pay, bonus, severance pay (statutory or otherwise), commissions, post-employment medical or life obligations, pension contributions, insurance premiums or employment or payroll Taxes; (ii) any Liabilities with respect to, or payment or entitlements to, any Employee arising after the Closing; (iii) any Liability, payment or obligations related to any Employee, including under, or with respect to, the Worker Adjustment and Retraining Notification Act (or any similar provision of any applicable federal, state, regional, foreign or local Law), COBRA Coverage, actions under any labor or similar Laws, including any such Liabilities arising under a Seller Benefit Plan, in each case, that is incurred, accrued or arising prior to the Closing; (iv) any Liability or expense of the Seller or any of their respective ERISA Affiliates which arises under or relates to any Seller Benefit Plan or other employee benefit plan, including Liability to any such plan that is subject to Title IV of ERISA, Section 302 of ERISA, Section 412 of the Code, Liability with respect to COBRA Coverage or Liability under any other statute or regulation that imposes Liability on a “controlled group” basis with or without reference to any provision of Section 414 of the Code or Section 4001 of ERISA, including by reason of the Purchaser being deemed an ERISA successor to the Seller or any of its ERISA Affiliates; (v) any Liabilities, payments, costs and disbursements incurred in connection with the termination of employment of any Employee, regardless of whether or not such Employee becomes a Purchaser Employee, arising under any Seller Benefit Plan, employment or similar agreement of the Seller or any of its ERISA Affiliates addressed to any Employee, or other severance policy or agreement or under any applicable Law or otherwise; (vi) any Liabilities (including successor obligations) that arise under or relate to any and all collective bargaining agreements. For purposes of this definition, the definition of “Employees” shall also include temporary employees, independent contractors and any other Person who provides services to the Seller.

Section 6.12 Bankruptcy Actions.

(a) Promptly upon the execution of this Agreement, the Seller shall file with the Bankruptcy Court (x) a notice of successful bidder declaring the Purchaser as the successful bidder for the Purchased Assets and (y) the proposed Sale Order authorizing and approving, among other things, (i) for the Seller to enter into this Agreement and the Ancillary Agreements and (ii) transactions contemplated in this Agreement and the Ancillary Agreements on the terms and conditions set forth herein and therein, including the sale of the Purchased Assets and the assumption and assignment of the Assigned Contracts, to the Purchaser free and clear of all Encumbrances (other than Permitted Encumbrances and Assumed Liabilities), each in a form and substance acceptable to Purchaser in its sole discretion. The Seller shall provide to the Purchaser drafts (I) of the pleadings and documents in clauses (x) and (y) in the preceding sentence (and any related pleadings or documents) as soon as practicable prior to the hearing to approve the sale of the Purchased Assets to the Purchaser and their filing with the Bankruptcy Court, and (II) any other pleadings and documents related to the sale or the transactions contemplated herein, not later than two (2) days prior to the Seller filing such pleadings and document with the Bankruptcy Court.

The Seller and the Purchaser shall cooperate in good faith with the drafting and submission to the Bankruptcy Court of all such pleadings or documents.

(b) The Bankruptcy Court shall have entered the Sale Order by not later than November 24, 2022 (or such other date as agreed upon by the Purchaser in its sole discretion).

(c) The Seller shall (i) appear formally or informally in the Bankruptcy Court if reasonably requested by the Purchaser or required by the Bankruptcy Court in connection with the transactions contemplated by this Agreement and the Ancillary Agreements and (ii) keep the Purchaser reasonably apprised of the status of all matters related to this Agreement, the Ancillary Agreements and the transactions contemplated hereby and thereby, including by promptly furnishing the Purchaser with copies of all notices, documents and communications received by the Seller or any of its Affiliates from the Bankruptcy Court or any Person with respect to the transactions contemplated by this Agreement, except for copies of notices or communications filed by non-Debtors, and fully available to the Purchaser, on the Bankruptcy Court docket.

Section 6.13 Sale Order. (vii) Any reference in this Agreement to gender shall include all genders, and words imparting the singular number only shall include the plural and vice versa.

(viii) The words “herein,” “hereinafter,” “hereof” and “hereunder” and words of similar import when used in this Agreement refer to this Agreement as a whole and not merely to a subdivision or particular provision in which such words appear unless the context otherwise requires.

(c) Prior drafts of this Agreement or the fact that any clauses have been added, deleted or otherwise modified from any prior drafts of this Agreement shall not be construed in favor of or against any party on account of its participation in the negotiations and/or drafting of such prior drafts or be used as an aid of construction or otherwise constitute evidence of the intent of the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of such prior drafts.
